

**November 9-10, 2022**

**Montréal, Quebec**

**2022 Post Show SnapShot**

# 1 Floor. 5 Shows. Countless Opportunities.

**Advanced Design & Manufacturing (D&M) Montréal brings together five advanced manufacturing brands - Design & Manufacturing, Automation Technology Expo (ATX), PACKEX, PLAST-EX, and Powder & Bulk Solids**

This all-in-one, industry-wide event lets you explore the latest trends and technologies shaping the future in advanced design and manufacturing across automation, robotics, energy efficiency, packaging, plastics, processing and more to accelerate your business goals and grow your career.

# 2022 Show Features

## Free to Attend Expo

ADM Montreal provided attendees the chance to find solutions to their application needs, get a look at the latest technologies, and connect with their peers. Some of the great features include:

- A 180+ exhibitor trade show
- Live Product Showcases
- Centre Stage Presentations
- Networking Receptions

## Education

Delegates took a deep dive into our free education content program consisting of keynotes, technical sessions, and fireside chats, with speakers from industry leaders such as:

- PAC Global
- NGEN
- Canadian Manufacturers and Exporters
- Siemens
- Handtmann

# Testimonials

The perfect place to meet people around Design and Manufacturing.

ADM Montréal 2022 Attendee

Exciting technologies, platforms, and products. A lot of good ideas to bring and implement at work.

ADM Montréal 2022 Attendee

It's interesting, there is new technology in our field that is very practical and modern compared to what we currently have.

ADM Montréal 2022 Attendee

It was great to meet new suppliers and get a better understanding of what our possibilities are.

ADM Montréal 2022 Attendee

An amazing experience ! Everything you wanted to know about Design & Manufacturing, Packaging under one roof. Industry experts, Conferences and more...

ADM Montréal 2022 Attendee

it was my first time and it was a great experience to meet with our current and new suppliers.

ADM Montréal 2022 Attendee

Expertise and partnership, that's what you can expect to find at the ADM Expo.

ADM Montréal 2022 Attendee

Came away with some ideas for development of existing products and made some solid contacts.

ADM Montréal 2022 Attendee
